

CoID	Booth Number	Company Name	Company Contact First Name	Company Contact Last Name	Booth Print Profile
7051	1119	advanced green technologies	leila	vaziri	
689	1209	AFCEE	Mike	Hawkins	
7893	1105	AGEISS Inc.	Jeffrey	Lawrence	AGEISS Inc. is a minority-owned and operated, certified small disadvantaged business, and graduate of the 8(a) program, specializing in engineering and environmental services for the Federal government, primarily the U.S. Department of Defense.
3597	1103	AMEC	Wendy	Parker	
8199	716	Analytical Quality Associates	Jamie	Fox	Established in 1999, AQA is a small business that specializes in third party data validation, laboratory auditing, chemistry consulting, and related services.
6863	820	Applied Services & Information Systems, Inc.	Sheri	Neuhofer	ASIS provides professional environmental and energy information management services and GIS application development. We are an SBA 8(a) certified business that works nationally with the DOD, DOI and DOC.
7845	816	BAE Systems	Marian	Spencer	BAE Systems provides secure, efficient, and cost-effective solutions for power management and control systems for ground vehicles, energy storage integration, hybrid electric drives, vehicle management, and human-machine interface systems.
775	1316	Battelle	Veronica	Smith	Battelle is the world's largest nonprofit independent research and development organization, providing innovative solutions through its global businesses: Laboratory Management, National Security, Energy Technology, and Health and Life Sciences.
7965	1122	BetaLED	Barbara	Hathaway	BetaLED can help you to meet energy reduction goals and achieve improved lighting performance. Energy and maintenance savings from BetaLED luminaires are typically 40 to 60% compared to traditional products.

1163	1312	Better Engineering Mfg., Inc.	Brenda	Bennett	Manufacturer of automatic aqueous-based industrial parts washers utilizing spray, immersion and ultrasonic technology.
6412	1206	CACI	Janice	Albuquerque	CACI provides professional services and IT solutions for defense, intelligence, homeland security, and the federal civilian government. We support national security, improve communications, secure data, enhance analysis, and increase effectiveness.
8021	1318	CACI - JCMT	Paul	Carey	
8138	1321	CALIBRE	Jeanette	McTegart	CALIBRE builds and delivers practical, timely, best value solutions to solve management, technology, and program challenges. We serve customers in the public and private sectors – defense, federal civil, state and local government, and commercial.
1120	1008	CDM	Lee	Dioso	CDM is a consulting, engineering, construction, and operations firm with more than 4,500 employees worldwide. Services to DoD include environmental restoration, BRAC, regulatory compliance, and facility Sustainment, Restoration, and Modernization.
1147	1016	CH2M HILL	Ashley	Rath	CH2M HILL is a global leader in full-service engineering, procurement, construction, and operations. With \$6.3 billion in revenue and more than 23,500 employees worldwide, CH2M HILL delivers innovative, practical, sustainable solutions.
4466	1418	Chemical and Material Risk Management Directorate	Shannon	Cunniff	Our mission is to protect readiness, people, and the environment by managing risks from the chemicals and materials DoD uses. We lower lifecycle costs and drive innovation through better management of current and future risks from chemicals.
821	1108	Clarus Technologies, LLC	Karl	Thomas	
8164	1322	Colorado State University - CEMML	David	Tweedale	CSU-CEMML

8152	1421	Colorado State University Continuing Education	Shirley	Yang	The Division of Continuing Education (DCE) at Colorado State University (CSU) offers degrees, credit and noncredit courses, certificate programs, and custom training for businesses and industry.
8070	908	Dakota Software Corporation	Arlene	Davidson	Dakota Software has been providing EHS management software since 1988. Dakota's suite of products, Profiler, Auditor, Tracer, and Scout can be used in combination or independently to proactively manage compliance at the point of control.
778	1404	Defense Logistics Information Service	Gregg	Bales	
8149	1405	Defense National Stockpile	Brian	Beruete	
6969	1410	Defense Realization and Marketing Service	Richard	Knowles	
3402	1408	Defense Supply Center Phila.	Yvonne	Murry	
1242	1412	Defense Supply Center Richmond	Ron	Harris	
8131	1221	DHS Office of Small and Disadvantaged Business Utilization	Kyle	Groome	
4254	1219	DPRA Incorporated	Mellisa	Taylor	DPRA and its subsidiaries bring you over 30 years of proven experience. We apply cutting edge solutions to environmental problems, and data management. Come and learn about our efforts to improve 'Green Remediation' practices, and much more.
1310	1414	DSCR - Hazardous Information Programs	Steve	Perez	Defense Supply Center Richmond's Hazardous Information Programs serves all of DOD, federal civilian agencies and FMS customers with current, actionable environmental information.
7547	1204	EA Engineering, Science, and Technology, Inc.	Jennifer	Zoukis	

781	1111	Ecology & Environment, Inc.	Cheryl	Ferrell	E&E is a fully integrated global consulting firm. We provide high-quality, efficient, and cost-effective "value-added" energy and environmental services to federal, state and local agencies, organizations and governments.
6870	1011	EcoVac Services	Robert	Kelly	
2155	912	EM-Assist	Jane	Luger	EM-Assist is an award-winning, Department of Defense (DoD) environmental contractor. Our core competencies include environmental compliance, hazardous waste management, training, and cultural resources.
8212	812	EMC Engineers Inc.	Tamara	Harra	EMC Engineers Inc. performs commissioning, retro-commissioning, sustainable design, LEED consulting, energy modeling, energy performance contracting, mechanical/electrical design-build, and water resource management.
5900	1211	Engineering & Environment, Inc.	Rebecca	Ellis	
1302	1416	ITRC	Carolyn	Sistare	ITRC brings together regulators and the regulated community to develop guidance documents and training on the selection, approval, and application of emerging environmental technologies. www.itrcweb.org
5469	921	ERDC/CERL	Stephen	Luzzi	FedCenter.gov is the Federal government's home for comprehensive environmental stewardship and compliance assistance information and cross-agency collaboration.
8237	810	ERT, Inc.	Jessie	Morgan	ERT, founded in 1993 and headquartered in Maryland, is a woman-owned small business providing environmental conservation, compliance, restoration, and sustainability services through more than 40 prime contracts with government and state agencies.

1269	920	ESRI	Kristin	Frith	ESRI software forms a critical IT infrastructure and for defense organizations and the Sustainable Range Program throughout the world to support mission-critical and time-sensitive decisions.
6972	804	FPM Group/FPM Remediations	Bonnie	Hopke	FPM Group/FPM Remediations provide a full range of services nationwide in facilities engineering and construction management; environmental engineering, remediation and science; construction and design/build, and geophysical and UXO support.
6560	1208	General Services Administration	Darlene	Upshaw	The General Services Administration leverages the buying power of the Federal Government to acquire best value for federal customers and taxpayers. GSA means excellence in the business of Government!
7086	1319	GeoSpatial Experts	Linda	Bobbitt	
6006	1112	Geosyntec Consultants	Holly	Stoddard	
8263	722	Government Liquidation	Timothy	Gilliam	Government Liquidation – responsible recycling and scrap solutions that turn waste into dollars.
1557	1307	Gradient Technology	Amy	Rammer	Gradient Technology offers an exceptionally safe and environmentally friendly solution to disposing of explosive ordnance and MPPEH items.
7952	1109	Granta Design	Lauren	Carter-Jones	
7983	1121	GSA Service Co	Aaron	Caplan	We will exhibit ChemFree SmartWashers, which combine a powerful, aqueous-based cleaning solution (OzzyJuice) with nonpathogenic microbes which eat oil, grease and grime, leaving no hazardous by-products. Green without compromise!

7243	1104	HDR e2M	Vanessa	Guerra	After 20 years as a successful small business, e2M is now a wholly-owned subsidiary of HDR, Inc. HDR e2M continues to provide high-quality conservation & planning, compliance, restoration & remediation, and engineering & construction services.
6858	910	HNTB	Brian	Pieplow	HNTB Corporation provides federal-sector clients diverse services, including program management, civil engineering, architecture, security planning, technology, levee and water infrastructure, and military facility and range design.
8087	1212	HydroGeoLogic	April	Heselton	HGL is an employee-owned environmental consulting firm with 20+ years of experience in providing innovative and cost-effective solutions to clients, and for the past five years has been listed in ENR as one of nation's top 200 environmental firms.
6707	1325	ICF International	Angelique	Agutter	ICF International partners with government and commercial clients to deliver consulting services and technology solutions in energy, climate change, environment, transportation, social programs, health, defense and emergency management.
7239	903	IHS Global, Inc	Janet	Rothermel	IHS has decades of experience providing a comprehensive, robust platform that enables customers to measure, analyze, report and act to reduce their GHG and broader environmental footprint.
1113	1009	Integrated Science Solutions, Inc	Cecelia	McCloy	Integrated Science Solutions, Inc. (ISSi) is a certified, small, woman-owned science and engineering company providing cost-effective professional services to federal, state, and commercial clients.
6116	1406	ISEERB	Bobbi	Hopkins	

8086	1411	J. M. Waller Associates, Inc.	Eric	Spillman	J. M. Waller Associates, Inc. (JMWA®) is a Service Disabled Veteran Owned Small Business (SDVOSB) providing environmental, facilities and logistics consulting services to federal, state, municipal and commercial clients. Visit us at www.jmwaller.com .
7989	905	J2 Engineering, Inc.	Tina	Hubacker	J2 is a service disabled veteran-owned small business (SDVOSB) firm providing environmental and construction services to federal agencies. J2 is located at Booth 905.
1092	1306	JG-PP	Gina	Hudak	JG-PP is a partnership between the Military Services, National Aeronautics and Space Administration and the Defense Logistics Agency to reduce or eliminate hazardous materials or processes within the DoD acquisition and sustainment communities.
1461	1311	Joint Service P2 & Sustainability Library	Andrew	Drucker	The Joint Service Pollution Prevention and Sustainability Library is an inter-service/agency website, offering timely information on P2, Green Procurement, Sustainability, EMS and other environmental issues of importance to DoD personnel.
8126	907	Liberty Packaging Co., Inc.	Joe	Spitz	Liberty Packaging Co. represents the Intercept Technology line of protective packaging. Intercept has a low carbon footprint and protects against corrosion, ESD and Fungus. GSA Advantage.
8338	720	Louis Berger Group	Thomas	Lewis	The Louis Berger Group provides energy-related projects: contingency power generation; hydroelectric project licensing; facility siting, permitting and monitoring; gas pipeline siting and permitting; and electric transmission line routing.
7062	1110	Lutron Electronics	Chris	Baylor	

865	1320	MACTEC Engineering and Consulting, Inc	Alan	Fillip	MACTEC's engineering, scientific and technical disciplines provide a full range of services to over 7,000 public- and private-sector clients, including DOD installations.
1220	1304	Malcolm Pirnie, Inc.	Cheryl	Kennedy	
6660	1207	ManTech International Corporation	Carolyn	Whittenberg	ManTech International Corporation is a leading provider of range, environmental, and sustainability planning, regulatory compliance, biological resources, and policy development supporting U.S. government customers.
5063	1004	MECX, LP	Richard	Cartwright	Environmental consulting, professional engineering, design-build construction management, contaminated site remediation & chemistry services
8316	822	Michael Baker Jr., Inc.	Debra	Catanzarite	Michael Baker Corp. provides architecture, engineering, construction services worldwide, including aviation, defense, environmental, facilities, geospatial, homeland security, municipal/civil, pipeline/utilities, rail/transit, transportation, water.
7889	704	MILSPRAY	Kathleen	Ferry	MILSPRAY is an accomplished defense company specializing in high performance & special purpose military coatings, RESET services and Green Systems and Products. We offer products, services and applied research all aimed at protecting and sustaining the war-fighter and his tactical vehicles, fixed and rotary wing aircraft, cutters and boats.
6984	1006	MWH Global	DelShaun	Gamble	MWH, globally driving the wet infrastructure sector, is leading the world in results-oriented management, technical engineering, and construction services to create a better world.

3608	1303	Naval Facilities Engineering Command	Sherrie	Larson	The Naval Facilities Engineering Command (NAVFAC) environmental program provides high quality support and services in planning, compliance, pollution prevention, natural resources, and site restoration.
8340	1409	Naval Inventory Control Point (NAVICP)	Linda	Herzog	The Mission of the Naval Inventory Control Point (NAVICP) is to provide Navy, Marine Corps, Joint and Allied Forces program and supply support for the weapons systems that keep our Naval forces mission ready.
180	1203	NDCEE	Regina	Hudak	The NDCEE, operated by Concurrent Technologies Corporation, demonstrates and transitions solutions addressing high-priority energy, environmental, safety, and occupational health challenges for DoD, other government agencies, and the industrial base.
3440	1420	Noblis	Julie	Brenner	Noblis, a nonprofit science, technology and strategy organization, brings the best of scientific thought, management and engineering know-how in an environment of independence and objectivity to find practical, forward thinking and sustainable solutions.
6944	926	Northgate Environmental Management, Inc.	Derrick	Willis	
5902	1025	Osage of Virginia, Inc.	Michael	Cree	Osage is a SBA Certified 8(a), Native American Owned, WOSDB. Osage provides environmental project management, professional support services and technical support services to the DoD and private sector clients.
4248	1220	Panamerican Consultants, Inc.	Rachel	Kyker	Panamerican Consultants, Inc. has successfully performed hundreds of individual cultural resource contracts including terrestrial, maritime, architectural, and geophysical projects within the continental United States, Pacific, and Caribbean regions.

5061	1007	Parsons	Kristi	James	Parsons, celebrating more than 65 years of growth in the engineering and construction industry, is a leader in many diversified markets with a focus on infrastructure, environmental, and defense/security.
3037	1123	Plateau Software, Inc.	Doc	Kiter	Compliance and Sustainability Programs
2718	1019	Potomac-Hudson Engineering, Inc.	Linda	Kay	PHE, an environmental and IT consulting firm providing forward thinking and practical solutions to the Department of Defense for over 20 years. Known for responsive support and exceptional results. ZweigWhite HotFirm Award Winner 2007 2008 2009
1008	904	RASco, Inc.	Vincent	Ciccione	RASco, Inc., a "Service Disabled Veteran-Owned Small Business" (SDVOSB) engineering company, focusing on the design/operation/protection of mission-critical facilities utilized for continuous operation of government and private sector clients.
6812	1403	Reliability Information Analysis Center	Joseph	Hazeltine	The RIAC's goal is to increase the productivity of the DoD Research and Evaluation community's scientific/engineering functions through dissemination of Scientific & Technical Information (STI) in the field of reliability engineering.
7241	1116	SAIC	Charlotte	O'Neil	SAIC is a FORTUNE 500® scientific, engineering, and technology applications company that uses its deep domain knowledge to solve problems of vital importance to the nation and the world.

1315	1107	SERDP/ESTCP	Michelle	Paine	SERDP is DoD's environmental science and technology program, which invests across the broad spectrum of basic and applied research. ESTCP is DoD's environmental technology dem/val program, identifying and demonstrating cost-effective technologies.
8143	1021	SES LLC	Lorna	Pace	The SES group of companies builds on experience and reputation by providing quality construction, environmental and fuel services to a broad range of clients including the USACE, AFCEE, NASA, and NAVFAC.
787	1106	Simple Green	Andy	Soto	Simple Green All-Purpose Cleaner/Degreaser, the Green Seal Certified Clean Building line, Crystal Simple Green All-Purpose Cleaner/Degreaser, Extreme Simple Green Aircraft/Precision Cleaner, Hand Cleaner Gel, Simple Green D Pro disinfectant products.
903	919	Smith Manus	Carolyn	Cosman	Smith-Manus is one of the largest, independent surety bond agencies in the U.S. and specializes in creating innovative surety bond programs for clients of all sizes. With over three decades of experience, we are experts in surety bonding.
2680	1025	Solution Foundry	Aaron	Siders	http://solutionfoundry.com
8071	909	SpecPro, Inc.	Larry	Blackwell	
8035	1307	TEAM DEMIL	BARRY	SCHAFFER	Specializing in the Demilitarization, Recycle Processing and Transportation of MPPEH, MDAS, Range Residues, Ordnance, and Weapon Systems.
2123	1020	TEC Inc.	Robert	Warren	
6057	1419	TestAmerica	Bernadine	Siemens	TestAmerica Laboratories, Inc. is recognized as the leading environmental testing firm in the United States. Operations include a nationwide network of 36 environmental testing laboratories and 31 service centers.

2081	1010	Tetra Tech	Margie	Vasquez	
8082	1305	TLI SOLUTIONS, INC.	SABINE	WARREN	TLI Solutions provides engineering, scientific, regulatory, and management consulting services to the government and commerce.
807	1003	TolTest, Inc.	Alvin	Brown	
8181	1126	Tynan's VW	Pete	Tynan	
3416	911	U.S. Army Corps of Engineers	Chuck	Schroeder	U.S. Army Corps of Engineers Environmental Community of Practice
3171	1222	United Soybean Board	Sueanne	Pfifferling	
6191	1022	University of Denver	Steven	Rundle	University of Denver University College is a leader in professional education, offering online master's degrees in environmental management, including the area of Environmental Policy and Management.
8294	1407	University of Maryland University College	Adrienne	Jones	University of Maryland University College, a global leader in adult education, provides career-advancing degree and certificate programs in environmental management. For information, visit www.umuc.edu
8172	1308	US Air Force Energy Program Mgmt Office	Gina	Hudak	The Headquarters Air Force Energy Program Management Office provides overarching energy management, coordination and oversight of cross-cutting Air Force energy issues and energy programs.
7094	718	The Track Group	Alan	Minton	EPA's Office of Research and Development (ORD), provides the scientific foundation that enables EPA to make informed decisions about risks to human health and the environment, and thus, eliminate or mitigate those risks. As part of ORD, the National Risk Management Research Laboratory (NRMRL) will be distributing the latest in research publications, CDs, and other pertinent information in leading-edge research through its technology transfer program.
4606	922	USACHPPM	Allison	Bruno	

3177	1005	Versar Inc.	Janice	Howell	Versar is a global project management company delivering construction management, environmental sciences and engineering infrastructure solutions to public and private customers. Versar offers abilities in classified and hazardous projects.
8260	714	Vista GeoScience	John	Fontana	A small business, Vista GeoScience brought together the experience of several well known environmental support service firms. Vista provides expertise and innovation for site investigation and remediation to the military consultants.
8166	1226	VPSI, Inc.	Chris	Hooper	Established in 1977, VPSI is the nation's leading provider of vanpool services. With offices in 40 major US cities and over 5,000 operating vanpools, VPSI provides an environmentally friendly transportation option that saves commuters time and money.
6038	1120	WESTERN CULTURAL RESOURCE MANAGEMENT	TOM	LENNON	Since 1978, WCRM, Inc. has worked on over 2000 projects, including more than 35 USDoD, in 16 Western states. With offices strategically located across the West, we provide extensive, cost effective Planning and Cultural Resource Management services.
